1 PUEZ-GEISLER NATURE PARK HOUSE

Info & Opening times

The Puez-Geisler Nature Park House in St. Magdalena in Villnöss valley has set itself the task of bringing nature closer to visitors and to invite them to linger. The exhibition area "Touching the Mountains" deals with the main theme in the Nature Park, the geology of the Dolomites. The Puez-Geisler Nature Park is often referred to as the "Dolomite Building Hut", as all types of rock typical for the Dolomites, deposits and forms of weathering can be found In the "Nature's Treasure Trove" on the second floor there is much to discover: animal skins, bird eggs, feathers, footprints, slogans, dentures, antlers, medicinal herbs. All this and more can be admired and many things even touched.

Free entry

2 CHURCH OF ST. MAGDALENA

First mentioned in 1394, the late Gothic church that we see today, with its asymmetrical net vault, was built in 1492. The Saint Christopher fresco on the south wall dates back to the 16th century. The interior has a Baroque influence with paintings by the Ladin artist, Johann M. Pescoller (1928).

The access road to the church is closed and only accessible to residents.
Please park in the designated parking spaces and walk to the church (about 30 minutes).

Open daily

3 THE SMALL CHURCH OF ST. JOHN OF NEPOMUK IN RANUI

World famous and much photographed subject. The tiny church, founded in 1744 by the mine owner, Michael von Jenner, is nestled in Attractions extraordinary countryside. The altar paintings by Franz Sebald Unterberger (1706–1776) from the Fleim Valley are particularly noteworthy.

The church is privately owned and the access is subject to a fee.
*However, **the church remains closed.***

4 DOLOMITES UNESCO WORLD HERITAGE - INFO POINT ZANS

Info & Opening times

Astonishment: There is nothing better describing the Dolomites than this feeling. Marvel at their beauty, their audacity, at a masterpiece of nature. It took 270 million years to make it. In the info point, they will be traversed in time-lapse - up to the present day, where the Dolomites are "UNESCO World Heritage". The exhibition, which entertains visitors, informs them and makes them smile, also shows what lies behind it. And of course amaze.

WILDLIFE PRESERVE

Intact forests, meadows in full bloom and a wildlife preserve at the foot of the Geisler peaks.

5 THE NATURE EXPERIENCE TRAIL

The Nature Experience Trail on Zans is a wheelchair accessible circular trail, which offers insights into the natural environment and the flora and fauna of the Nature Park Puez-Geisler.

Walking time: 1 hour

Sustainable behaviour

To protect our valuable natural and cultural landscape and out of respect to private property.

CAR - NO THANKS!
Whenever possible, I use public transport, which brings me safely and comfortably to the starting point of the hiking tours.

PARKING BEHAVIOUR
I park my car without exception on the designated parking spaces, never on meadows or at the roadside.

MOVEMENT IN NATURE AND ON PRIVATE PROPERTY
I never leave the marked roads and hiking routes.

CONSERVATION OF FLORA AND FAUNA
I do not pick flowers, berries or mushrooms and I do not feed grazing animals.

WASTE DISPOSAL
Take your garbage home or throw it into the appropriate disposal containers. This also applies to cigarette butts.

CAMPING
I only set up my camp on designated campsites.

DEALING WITH THIRD PARTIES
I am considerate of other road users and hikers.

NOISE PREVENTION
I adjust my volume to the tranquility of nature and avoid unnecessary noise.

CRITICAL FLYING OBJECTS
I leave my drone at home.

QUIET LITTLE PLACES
I use public toilets and leave them clean.
